CLIPPERTON ISLAND

Geschichte:

- Entdeckt 1521 von Ferdinand Magellan
- Benannt nach Pirat John Clipperton
- Annektierung 1855 durch Frankreich
- Guano-Abbau durch amerikanische Minengesellschaften zwischen 1892 und 1897
- Besitzansprüche von Mexiko: Errichtung einer Garnison 1905
- Während der mexikanischen Revolution wurde eine Gruppe Inselbewohner nicht mehr vom Festland versorgt und musste über zwei Jahre dort ausharren, bis Rettung kam
- 1931: Insel wird durch Schiedsgericht offiziell Frankreich zugeteilt
- Besetzung während des 2. Weltkrieges durch die USA (noch zahlreiche Hinterlassenschaften)
- Seit 2007 untersteht Clipperton dem Minister für die überseeischen Gebiete
